

Thunderbird Ski Club

2024 Ski Trips

Plan your trips this year ahead of formal registration.

Early Reservations are only open to Thunderbird Ski club members until July 1st

You can reserve a place on all the trips in 2024 with only a small deposit to hold your spot.

We will be advertising our trips on the FERA, MDSC and CMSC sites and opening our trips to members of those ski clubs after August 1st. Final pricing for reservations will be announced at the July Picnic.

We have had to give the ski resorts and airlines the max number of skiers on each of our trips and can not guarantee that additional spots will be available if we sell out. Lift tickets must be bought separately. (Breckenridge & Heavenly) see <http://www.sportsamerica.com/epic-tbirds>

For a fee of \$50.00 per trip you can reserve your spot and assure your place on the trip.
