DIVA ROYALE

*A World Premiere by Jeff Daniels
Directed by Guy Sanville*

Immediately following the final curtain, we will have an "Up Close And Personal" opportunity to listen to the director talk about this production.

Diva Royale is a spectacular farce brought to us by the author of such comedies as Escanaba in da Moonlight, The Tropical Pickle, and Norma & Wanda. The show follows the exploits of three midwestern stay-at-home moms who plan a last minute trip to NYC to see their favorite star Celine Dion perform and maybe experience a bit of the romance lacking in their lives. As soon as they get on the plane things go very wrong, resulting in an evening of side-splitting hilarity.
