COME FROM AWAY

Sunday, October 6th at 2:00 pm

Broadway's COME FROM AWAY is a Best Musical winner all across North America!

It is the remarkable true story of 7,000 stranded passengers and the small town in Newfoundland that welcomed them, based on actual events that took place on September 11, 2001 and the days that followed. When the U.S. shut down its airspace on 9/11, Canada offered to house inbound planes flying from Europe. Planes were diverted to Gander International Airport. Gander and its neighboring towns all welcomed "Come From Aways" into their homes. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships.

Come From Away features an original Celtic, folk-rock score with British Isles influences and world music elements.
