Why consign and shop at a local in-person swap:

- Support your local ski patrol or school ski team.
- Store representatives on site for guidance.
- Compare new & used items from multiple suppliers.
- You can closely examine the condition of items and try them on (especially used items).
- Take your purchases home immediately.
- No shipping costs (the cost of “free” shipping is buried in the purchase price), no shipping delays, no possibility of items being lost, damaged in shipment or stolen by porch pirates.
- No concern about the type of payment, being ripped off, having a dispute lodged against you or need to meet at a safe location.
- No need to package and ship your items.

Consignor fee: 20%, except 25% at Bloomfield Hills.
Most accept cash or checks and many charge a fee (usually 3%) for credit card & mobile payment use.
