

Have you been to Beaver Creek lately? Have you never been? If so, this is your opportunity to join the club on a January 2025 excursion into winter wonderland. With beautiful mountains, wildlife, 27 ski lifts, and fabulous condo accommodations. Beaver Creek Village has an abundance of restaurants and bars and other activities.

The mountain is home to the famous World Cup racecourse and signature run, “Birds of Prey” and to McCoy Park, a new 250-acre family friendly, blues and greens expansion just opened in 2022!

Don’t forget the chocolate chip cookies, served at the base daily at 3pm. Over a million cookies are served each season.

Sign up today, as spots are limited, and we must make some serious decisions at the beginning of October.
